

## PRODUCTION SOUND ASSIGNMENT 19 September 2013

Find an environment in which you can sit and listen

Make a list of all the sounds you hear.

Now make a second list ranking the sounds from loudest to softest.

Now make a third list ranking all those sounds from most pleasant to least pleasant.

Now turn over your paper and create a map. Put yourself in the center and arrange all the other sound according to distance and direction.

Please hand this assignment in next week.
