

The Wilhelm Scream

217 titles, and counting!

Although motion pictures are the main focus, some television and other media have been included. Dates listed are for original US debut. Numbers following description are the Wilhelm “take” used (4-6 being the “classic” screams). This list is verified to the best of the ability of a panel of sound effects professionals (who, in many cases, were responsible for including Wilhelm in the following titles themselves). Some screams have been edited, altered, mixed with other elements, lowered in level, or even removed from some versions of these titles.
